Issue 230 29th September 2023

Dear parents and carers,

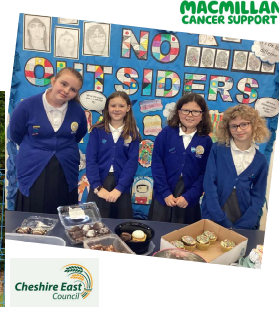

Wow! Cledford pupils have outdone themselves once again. This week we have had two days of cake sales for children at breaktimes to raise money for Macmillan. It has been a huge success and the faces now frosted with icing are proof that the children have had a good time while raising money for a good cause.

We have also had a visit from PCSO Tom and the Traffic Wardens from Cheshire East this week to help ensure our children are safe at drop off and collection time. Please continue to park safely to protect our pupils.

Our school council have also been impacting on our pupil voice this week as they have consulted the pupil body on school dinner choices. Our kitchen team are now busy amending their orders to ensure the pupil feedback is actioned.

Have a lovely weekend.

Principal

Medical appointments during school time

Wherever possible we expect parents to make medical appointments outside of school hours. However, if this is not possible please contact school to advise the time of the appointment and expected time they will return to school.

If your child usually has a school dinner, please let the school office know before 10am what they will be having so our kitchen staff can be informed.

Please bring the appointment letter/card so this may be noted on the pupil's record.

EYFS News

- 1. Mrs Higgins – Hugo D, for working so hard and being so proud of what he has achieved in learning to write his name.
- 2 Miss Parton – Poppy L, for always being a very busy bee, taking part in all our challenges.

It has been another really positive week in the EYFS. The children have enjoyed the story 'The Family Book' by Todd Parr and a lovely song we have been learning about families. See the link below.

We didn't make it to the forest on Wednesday due to the predicted storm. We have our fingers crossed for Friday afternoon instead. The children really impressed us this week when they got changed into PE kit completely for the first time. You have obviously worked hard over the summer to develop independence and confidence with dressing and undressing. Thank you!

The guided writing this week has been name writing, using correct letter formation and using a secure and comfortable tripod style pencil grip. Please continue to encourage this at home. We have sent home a letter formation sheet to ensure continuity between school and home. We will be using the little 'mnemonics' to match each letter to the physical action of writing it correctly. Please make use of this at home as well to reinforce the children's hard work at school.

Next week's focus is birthdays. We will be reading 'Kipper's Birthday' and the children will be learning the date and month of their birthday.

Have a good weekend. See you on Monday.

The EYFS team.
