

**Cledford  
Primary School**  
a brighter future together

# **Federation Finance Officer - Mrs Zoë Doyle**

**I have been associated with Cledford Primary School for over 15 years as a parent, a school governor and now a member of staff.**

**I started in the school office as a clerical officer 6 years ago and have completed all of the office roles during this time. I am now in the federation finance role; I split my time between Cledford and, our federation school in Crewe, Gainsborough Primary and Nursery School.**

**When I'm not in the office scratching my head about making the numbers balance, I am a very proud wife and mother. I am an endurance athletics assistant coach and UKA official. I spend many weekends stood in muddy fields supporting my family & club athletes or trackside with a clipboard judging throws and jumps.**

**We have 2 mad cats who provide much entertainment in the Doyle household.**

**"Life is all about choices"**
