

**Cledford**  
Primary School  
a brighter future together

## **Class Teacher - Mrs Kate Marsland**

**Growing up, I dreamt of being a teacher and it became a reality when I graduated in 2008 from Bangor University. I started my career in Wales, teaching in both key stage 1 and key stage 2. After 6 years, I moved to Cledford Primary School.**

**As mental health lead and PE coordinator, I am fortunate to drive my 2 main passions in teaching, ensuring that children are emotionally and physically healthy. I am passionate about developing children's resilience and positive approach towards themselves, others and the world beyond school.**

**Outside of the classroom, I thoroughly enjoy exploring new places far and near and have a passion for sports, especially tennis and netball.**

**To relax, nothing beats escaping into a good book or a long walk in the countryside with my dog.**

**"A person who never made a mistake, never tried anything new" - Albert Einstein**
