

Cledford
Primary School
a brighter future together

Class Teacher - Mrs Debbie Lester

Although I have only recently joined the Cledford team, my teaching career extends over 20 years. During this time, I have been lucky enough to teach in both key stages 1 and 2; an experience which has confirmed to me that my job is not only about teaching the fundamentals of reading, writing and maths, but also about helping children to develop positive attitudes towards themselves, their achievements and others around them.

When not at work, I enjoy spending quality time with my family, whether that is going for long walks in the countryside, supporting my boys at their various sporting ventures or having a relaxing night in watching a family film.

"When it rains, look for rainbows, when it's dark, look for stars."
