

Cledford
Primary School
a brighter future together

Higher Level Teaching Assistant

- Mrs Loreece Smith

I am an HLTA within Cledford Primary School. I have worked under the 'Cledford' name for 20 years.

My role is to cover classes from reception through to year 6, when a member of staff is away from their classroom.

I feel very privileged to work across all age ranges and therefore have interaction with all the children in the school.

The children know me for always saying 'I am an old lady!' which they find very funny but strangely, don't disagree.
