Apprentice Teaching Assistant

- Miss Rachael Henshaw

I started working as a mid-day assistant at Cledford Primary School 1 and a half years ago, I have recently started a new role within the school as a teaching assistant in year 1, while still carrying on my role as a mid-day assistant. I am also one of the first aiders on the playground at lunchtime.

I am very enthusiastic about helping the children learn and watching them grow and progress within their school years.

When I am not at work, I am a very proud mother and love spending time cooking and reading with my children.
