

Cledford
Primary School
a brighter future together

TA - Mrs Emily Williams

I have been a teaching assistant at Cledford Primary School for 14 years. During this time, I have worked in many year groups and delivered various interventions.

I am passionate about helping children to learn and succeed.

Out of school, I enjoy spending quality time with my family and friends, getting away in my camper and walking.

"The only way to do great work is to love what you do."
