

**Cledford
Primary School**
a brighter future together

HLTA - Mrs Louise Barnett

I am an HLTA and cover classes throughout the primary range in the absence of the class teacher.

I also deliver interventions to children with dyslexia and to other children who are experiencing some difficulties with their literacy.

I am passionate about PE and spend time developing this subject throughout the school.

I am lucky enough to take the year 3 children swimming... an afternoon of much excitement and always an early night!

In my free time I enjoy swimming and cycling, but most of all walking my dog with my family and friends.
