Family Support Worker

- Miss Kelly Bennion

I have worked in a variety of roles at Cledford Primary School for the past 19 years.

I love my job and have enjoyed how my role has evolved in response to the needs of the Cledford community. I work across the key stages and lead the nurture group.

Currently, as Cledford's family support worker, I'm passionate about working with children and, alongside families, enabling them to flourish.
