

**Cledford
Primary School**
a brighter future together

TA - Mrs Jennifer Falconbridge

I was so happy and full of excitement the day I was offered the job at Cledford Primary school as a 1:1 teaching assistant.

My children and I have now been part of the Cledford family since September 2019, and we absolutely love it.

At the moment I am working in year 6 and I also recently joined the pupil support team.

I love my job and what it entails. I enjoy building relationships and supporting the children in all aspects, whether it is academically, socially or emotionally.

In my spare time I enjoy spending time with my family. We go on walks, play board games and we especially love geocaching.
