USING IMAGES OF CHILDREN

CONSENT FORM FOR USE BY CHESHIRE EAST SCHOOLS

Occasionally, we may take photographs of the children at our school. We may use these images in our school's prospectus or in other printed publications that we produce, as well as on our website. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

Before we take a photography, we need written consent in order to comply with the Data Protection Act 1998.

Please be aware that it is the policy of Cledford Primary School to allow parents/guardians to photograph or video productions and class assemblies. These images are for parent/guardian use only and are not for publication. If you do not feel able to agree to this, please make your child's class teacher aware, but unfortunately, your child may then be unable to take part.

Please answer the following questions, then sign and date the form
