Issue 192 9th September 2022

Dear parents/carers,

I'd like to start by offering a huge welcome to our new pupils and their families. At Cledford, we pride ourselves on admitting families into our school, not just children. I hope that everyone, old and new, has had great first week getting to know their new teachers and classmates. I feel incredibly honoured to be Principal here at Cledford and I know that this is going to be a great year filled with learning, fun and, of course, a lot of hard work. Our newsletter is here to give you brief updates and to keep you informed of any dates for your diary, important events and announcements so please take a few minutes to read our messages below. If you have any questions or queries regarding your child's education please contact the school office or your child's class teacher and we will do our very best to support you and your family.

Kind regards

Mr Adlington

Principal
